

SPAGHETTI SUPPER AT L'ERMITAGE

Sunday, January 15, 2017

The sun was shining on this beautiful Sunday, after a few days of cold and ice.

The ambiance was luminous and fraternal as our guests enjoyed their spaghetti, a first fund-raising event to help cover part of the repair of the roof.

Entertainment was provided by Sister Chantal and Sister Trinh which was enjoyed in laughter and songs...

With their eagerness and dynamism, a team of committed volunteers was made up of Lucie Nu, Marguerite Fournier, Denise Martin, Chantal Desjardins, Trinh Ta, Élodie Guiré, Bernadette St-Jean, Corine, Marie-Ève, Chantal, Nathalie and Denise to help out Françoise, Henriette, Diem and Lucie at L'Ermitage. All contributed greatly to the smooth functioning of the day. A special thank you to the local community of Canterbury who prepared all the desserts for the occasion. Mmm! Mmm!

We wish to extend our heartfelt THANKS to our generous donors who did not hesitate to send us their contribution!

Congratulations to all the prize winners and to Mr. Raymond Carrier, member of our Advisory Committee, who won first prize: a watercolor by Trinh.

We extend our gratitude to each and every participant and we are looking forward to seeing you again for our next activity!
